Profile

● I am a Bachelor of Computer Applications graduate with a strong passion for web development. I have experience working as a web developer and possess skills in C, HTML, CSS, Java Script, and web development. I am eager to further enhance my knowledge and skills through an internship opportunity in the field. My education and work experience have equipped me with the necessary foundation to excel in a dynamic and challenging environment, and I am excited about the opportunity to contribute to a team and gain valuable practical experience.

Education

● **Bachelor of Computer Applications (BCA)**,   *August 2023 - June 2027*
  – Netaji Subhash Engineering College, Kolkata

● **Higher Secondary(HS)**,   *June 2021 - March 2023*
  – Muthandanga Ramkrishna High School, Arambagh

Experience

Internship

● **Web Development Intern** at **Prodigy InfoTech**, Online   *Feb 2024 - Feb 2024*
  – As a Web Developer Intern at Prodigy InfoTech, I'll dive into the world of web development, gaining practical experience and honing my skills under the guidance of industry experts. Throughout my internship, I'll tackle real-world projects, from designing responsive websites to implementing interactive features. With hands-on training and mentorship, I'll learn the latest technologies and best practices in web development, preparing me for a successful career in this dynamic field.

● **Web Development Intern** at **Pinnacle Labs**, Online   *March 2024 - Present*
  – As a Web Developer Intern at Pinnacle Labs, I'll embark on an exciting journey into the world of web development, gaining hands-on experience and invaluable skills. Collaborating with your talented team, I'll contribute to the design, coding, and maintenance of cutting-edge web applications. Through mentorship and real-world projects, I'll expand my knowledge of web technologies and frameworks, setting the foundation for a successful career in this dynamic field.

● **Web Development Intern** at **CodeSoft** , Online   *March 2024 - Present*
  – As a Web Developer Intern at CodeSoft, I'll dive into the heart of web development, gaining hands-on experience in designing and coding responsive and dynamic websites. Collaborating with your team of experienced developers, I'll work on real-world projects, from front-end design to back-end development. With guidance and mentorship, I'll sharpen my skills in HTML, CSS, JavaScript, and other relevant technologies, while also learning about version control and best practices in software development. This internship at CodeSoft offers a fantastic opportunity to learn, grow, and lay the foundation for a successful career in web development.

Workshop

● **C Workshop** at **IIT Bpmbay**, Online   *Nov 2023 - Nov 2023*
  – The C workshop at IIT Bombay is designed to introduce participants to the fundamentals of the C programming language.

Projects

- **Portfolio Website**: Created a personal portfolio website showcasing skills and projects.
- **Weather Application**: Developed a web application to display weather information using APIs.
- **Calculator Web Application**: Designed and implemented a calculator web app with basic arithmetic operations.
- **Stopwatch Web Application**: Built a stopwatch application using HTML, CSS, and JavaScript.

Skills

- **Web Development**: HTML, CSS, JavaScript, React
- **Programming Languages**: C, Python, Java
- **Tools**: Git, VS Code

Languages

- **Bengali**
- **English**
- **Hindi**
